

**ANDHRA
CHAMBER OF
COMMERCE**

ESTD. 1928

**ANDHRA
CHAMBER OF COMMERCE**

PRESENTS

FUTURE ENERGY — SUMMIT 2026 —

**ENERGY SECURITY, SUSTAINABILITY &
INVESTMENT OPPORTUNITIES**

DATE

September 18, 2026,
Friday

TIME

10:00 AM –
05:30 PM

MODE

In Person
Session

VENUE

Welcomhotel By ITC Hotels –
Cathedral Road,
Chennai

**POWERING INDUSTRY. SECURING TOMORROW.
BUILDING A SUSTAINABLE FUTURE.**

KEY FOCUS AREAS

**RENEWABLE
ENERGY**

**SMART GRIDS &
MICROGRIDS**

**ENERGY STORAGE
SOLUTIONS**

**GREEN HYDROGEN
& ALTERNATIVE FUELS**

**SUSTAINABILITY
& ESG**

**INVESTMENT &
GROWTH OPPORTUNITIES**

**DELEGATE
REGISTRATION OPEN!**

BE PART OF THE FUTURE OF ENERGY

Join industry leaders, policymakers,
investors, innovators and experts
to shape a sustainable tomorrow.

DELEGATE FEE

Rs. 1500
(incl of Tax)

ANDHRA CHAMBER OF COMMERCE

The Andhra Chamber of Commerce is one of India's oldest and most respected industry associations, established in 1928 to promote trade, commerce, industry, and entrepreneurship. Headquartered in Chennai, the Chamber serves as a bridge between businesses, government, and other stakeholders by advocating policy reforms, facilitating trade and investment, supporting MSMEs and startups, and organizing seminars, business networking events, capacity-building programs, and international trade initiatives. Over nearly a century, it has played a significant role in fostering economic development across South India while representing the interests of its diverse business community.

The Chamber has today over 1350 Members and over 28 Affiliated Chambers of Commerce and Industry and Trade Associations.

Though the Membership is largely drawn from the States of Andhra Pradesh, Telangana and Tamil Nadu the fact that the Chamber draws its Members from nearby Karnataka, Kerala and Pondicherry and far away Chandigarh, Delhi, Haryana, Gujarat, Maharashtra, Rajasthan, Uttar Pradesh and West Bengal is a striking proof of the vision that has inspired those in charge of the Chamber all these years. Since the motto of the Chamber is "Progress through Commerce and Industry" the Chamber has always sought the progress of the industrial and business community.

Regular initiatives from the Chamber :

- Represents industry, trade and services
- Works closely with Central & State Governments
- Promotes industrial growth, MSMEs, exports, investments and policy advocacy
- Organises national conferences, business forums, policy dialogues and international collaborations
- Strong network across industry, government, academia and professional institutions

Future Energy Summit 2026

Global geopolitical developments, volatile fuel markets and India's ambitious clean energy transition are transforming how industries source, manage and consume energy.

The Future Energy Summit 2026 brings together policymakers, regulators, industry leaders, technology providers, researchers and investors to explore practical solutions that enhance energy security, improve sustainability and unlock new business opportunities.

The summit will showcase emerging technologies, government initiatives, financing mechanisms, regulatory developments and successful industry practices that can help commercial and industrial establishments build resilient and future-ready energy ecosystems.

Conference Objectives

The conference aims to:

- Examine the impact of evolving global energy dynamics on Indian industry.
- Showcase practical alternative energy solutions for commercial and industrial establishments.
- Present emerging technologies that improve energy efficiency and resilience.
- Highlight Government policies, incentives and financing opportunities supporting clean energy adoption.
- Discuss standards, regulations and certification frameworks governing the energy sector.
- Facilitate dialogue between policymakers, regulators, industry leaders, technology providers and investors.
- Promote innovation, collaboration and sustainable business growth.

Why You Should Attend

Delegates will gain insights into:

- Alternative energy solutions for industry
- Business continuity during energy disruptions
- Renewable energy technologies
- Green hydrogen and biofuels
- Battery energy storage systems
- Smart grids and digital energy management
- Carbon markets and sustainability
- Government incentive schemes
- Investment opportunities
- Standards, certification and regulatory compliance

Conference Program

September 18, 2026, Friday
10 00 am - 05 30 pm

09:30 AM – 10:30 AM

Inaugural Session

- Welcome Address
- Government Addresses
- Industry Perspective
- Conference Declaration

09:30 AM – 10:30 AM

Keynote Address

- **India's Energy Transition Strategy Amid Global Energy Uncertainties**

10:45 am – 11:45 am IST

Technical Session - Track 1

- **Alternative Energy Sources for Commercial & Industrial Users**

Focus Areas:

- Solar Energy
- Wind Energy
- Hybrid Renewable Systems
- Green Hydrogen
- Biofuels
- PNG, LNG & CNG

11:45 am – 12:30 pm IST

Technical Session - Track 2

- **Business Opportunities in Emerging Energy Technologies**

Focus Areas:

- Smart Grids & Microgrids
- Energy Storage Systems
- Advanced Battery Technologies
- IoT-enabled Energy Networks
- Sustainable Energy Innovations
- Future Energy Technologies

12:30 pm –1:00 pm IST

Technical Session - Track 3

- **The Future of Energy is Digital & Sustainable**

Focus Areas:

- AI in Energy Management
- Digital Twin Technologies
- Blockchain Applications
- Carbon Capture Technologies

12:30 pm –1:00 pm IST

Technical Session - Track 3

- **The Future of Energy is Digital & Sustainable**

Focus Areas:

- AI in Energy Management
- Digital Twin Technologies
- Blockchain Applications
- Carbon Capture Technologies
- Advanced Energy Storage
- Research & Innovation

Networking Lunch - 1:00 pm –2:00 pm IST

2:00 pm –3:00 pm IST

Technical Session - Track 4

- **Investment & Financing Opportunities**

Topics include:

- Government Incentive Schemes
- PLI Opportunities
- Green Financing
- Carbon Credit Markets
- Institutional Funding

3:00 pm –4:00 pm IST

Technical Session - Track 5

- **Standards, Certification & Regulations**

Discussions on:

- Energy Standards
- Certification Frameworks
- Regulatory Compliance
- Energy Efficiency
- Carbon Reporting

September 18, 2026, Friday
10 00 am - 05 30 pm

4:00 pm –4:30 pm IST
Technical Session - Track 6

September 18, 2026, Friday
10 00 am - 05 30 pm

- Fireside Chat

Discussions on:

- Export Promotion & Skill Development

4:00 pm –4:30 pm IST
Technical Session - Track 6

- Fireside Chat

Discussions on:

- Export Promotion & Skill Development

4:30 pm – 4:45 pm IST
Closing Plenary

- Roadmap for Energy-Secure Industrial Clusters

Who Should Attend?

This conference is designed for:

Industry

- Manufacturing Industries
- MSMEs
- Automotive
- Engineering
- Chemicals
- Pharmaceuticals
- Food Processing
- Textile Industries
- Industrial Parks
- Commercial Buildings
- Hospitality Sector
- Healthcare Institutions

Government & Regulators

- Central Ministries
- State Government Departments
- Regulatory Authorities
- Standards Bodies

Energy Sector

- Renewable Energy Developers
- EPC Companies
- Solar & Wind Developers
- Battery Manufacturers
- Hydrogen Companies
- Biofuel Producers
- Utility Companies

Technology Providers

- Smart Energy Solutions
- AI & IoT
- Energy Storage
- Automation
- Digital Energy Platforms

Financial Institutions

- Banks
- NBFCs
- Venture Capital
- Green Finance Institutions
- Investors

Delegate Registration

September 18, 2026, Friday
10 00 am - 05 30 pm

Academia & Research

- Universities
- Research Institutions
- Innovation Centres
- Startups

Consultants & Professionals

- Energy Auditors
- EMS Consultants
- Sustainability Consultants
- ESG Professionals
- Carbon Consultants
- Certification Bodies
- Management Consultants
- Legal, HR Professionals

Expected Outcomes

By attending, delegates will:

- Understand India's evolving energy landscape.
- Learn practical strategies to reduce energy risks.
- Discover innovative technologies for industrial energy management.
- Gain insights into government schemes and financing opportunities.
- Understand standards, certification and compliance requirements.
- Connect with policymakers, regulators, industry experts and technology providers.
- Explore new partnerships, investments and business opportunities.

Delegate Registration

Registration Fee
₹1,500 per Delegate (Inclusive of GST)

Group Registration

10% Discount
Applicable for 3 or more delegates from the same organisation.

Scan & Pay

Registration Includes

- Access to all Technical Sessions
- Inaugural & Keynote Sessions
- Conference Kit
- Networking Lunch
- Tea & Refreshments
- Access to Exhibition Area (if applicable)
- Certificate of Participation
- Networking Opportunities with Speakers & Industry Leaders
