Future Energy Summit 2026

Global geopolitical developments, volatile fuel markets and India's ambitious clean energy transition are transforming how industries source, manage and consume energy.

The Future Energy Summit 2026 brings together policymakers, regulators, industry leaders, technology providers, researchers and investors to explore practical solutions that enhance energy security, improve sustainability and unlock new business opportunities.

The summit will showcase emerging technologies, government initiatives, financing mechanisms, regulatory developments and successful industry practices that can help commercial and industrial establishments build resilient and future-ready energy ecosystems.

Conference Objectives

The conference aims to:

- Examine the impact of evolving global energy dynamics on Indian industry.
- Showcase practical alternative energy solutions for commercial and industrial establishments.
- Present emerging technologies that improve energy efficiency and resilience.
- Highlight Government policies, incentives and financing opportunities supporting clean energy adoption.
- Discuss standards, regulations and certification frameworks governing the energy sector.
- Facilitate dialogue between policymakers, regulators, industry leaders, technology providers and investors.
- Promote innovation, collaboration and sustainable business growth.

Why You Should Attend

Delegates will gain insights into:

- Alternative energy solutions for industry
- Business continuity during energy disruptions
- Renewable energy technologies
- Green hydrogen and biofuels
- Battery energy storage systems
- Smart grids and digital energy management
- Carbon markets and sustainability
- Government incentive schemes
- Investment opportunities
- Standards, certification and regulatory compliance

Who Should Attend?

This conference is designed for:

Industry

- Manufacturing Industries
- MSMEs
- Automotive
- Engineering
- Chemicals
- Pharmaceuticals
- Food Processing
- Textile Industries
- Industrial Parks
- Commercial Buildings
- Hospitality Sector
- Healthcare Institutions

Government & Regulators

- Central Ministries
- Energy Dept from State Govt
- Regulatory Authorities
- Standards Bodies

Energy Sector

- Renewable Energy Developers
- EPC Companies
- Solar & Wind Developers
- Battery Manufacturers
- Hydrogen Companies
- Biofuel Producers
- Utility Companies

Financial Institutions

- Banks
- NBFCs
- Venture Capital
- Green Finance Institutions
- Investors

Academia & Research

- Universities
- Research Institutions
- Innovation Centres
- Startups

Technology Providers

- Smart Energy Solutions
- AI & IoT
- Energy Storage
- Automation
- Digital Energy Platforms

Consultants & Professionals

- Energy Auditors
- EMS Consultants
- Sustainability Consultants
- ESG Professionals
- Carbon Consultants
- Certification Bodies
- Management Consultants
- Legal, HR Professionals

Expected Outcomes

By attending, delegates will:

- Understand India's evolving energy landscape.
- Learn practical strategies to reduce energy risks.
- Discover innovative technologies for industrial energy management.
- Gain insights into government schemes and financing opportunities.
- Understand standards, certification and compliance requirements.
- Connect with policymakers, regulators, industry experts and technology providers.
- Explore new partnerships, investments and business opportunities through business networking

09:30 AM – 10:10 AM IST Inaugural Session Duration – 40 min	Lamp Lighting & Felicitations – 10 min Welcome Address Dr V L Indira Dutt President Andhra Chamber of Commerce - 10 min Special Guests Address Dr. Rajesh Katyal * Director General National Institute of Wind Energy - 10 min Chennai Kasi Viswanathan Managing Director TN Apex Skill Development Centre for Automobile - 10 min Special Launch - Launch of Global Automotive Skills Grid
10:10 AM – 10:40 AM IST Keynote Address : India's Energy Transition Strategy Amid Global Energy Uncertainties Duration – 30 min	Dr K Srinivas Reddy V Balaraman Chair Professor Department of Mechanical Engineering IIT Madras, Chennai
Net Working Tea Break – 10 40 am - 10 55 am - 15 min	
10:55 AM –11:25 AM IST Track 1 - Technical Business Session Alternative Energy Sources for Commercial & Industrial Users - Duration – 30 min	
10 55 AM - 11 10 AM • 15 min 11 10 AM - 11 25 AM • 15 min	Hybrid Renewable Energy Systems for Industrial, Commercial Use Dr Nagarajan President SAE India PNG , CNG - Industrial , Commercial Establishments K Venkata Ramesh AGM (Marketing & CS) Torrent Gas Ltd
11:25 am –12:05 pm IST Track 2 - Technical Session - Duration - 40 min Sustainable Industry & Clean Energy Technologies	
Sustainable Manufacturing - Waste Heat Recovery Technology 11 25 am – 11 45 am - 20 min Future Energy - Clean Energy Technologies 11 45 am – 12 05 pm - 20 min	Kolli Srinivas Rao Asst. General Manager KCP Group Keerthivasan R Vice President - Business Development Evolve Energy Group

Confirmation Awaited *

12:05 pm –01:05 pm IST Track 3 - Business Technical Session Building Innovations & Business Opportunities in Emerging Energy Technologies - Duration - 60 minutes	
Speaker Session : Building Deeptech Innovations and Entrepreneurial Ventures in Energy Sector in TN - Mission of Startup TN 12 05 pm – 12 25 pm IST Duration - 20 min	Dr E. Bhaskaran , BE, MBA , PhD (D.Sc) Joint Director Tamil Nadu Startup and Innovation Mission StartupTN
Panel Discussion : Building Business Opportunities in Emerging Energy Technologies 12 25 pm – 01 05 pm IST Duration - 40 min	Moderator : Vinod Kumar N Senior Director - Green Economy Australian Trade and Investment Commission Panelists: Smart Grids & Microgrids - Innovations and Technology Transfers through Industry - Academia Collaboration Dr. Gnana Swathika O V Director & Professor Centre for Smart Grid Technologies VIT, Chennai EV Auto, SMART EV Charging Stations - Emerging Business Opportunities for Women Entreprenerus in EV Auto, EV Charging Stations Space Barathan Founder & CEO Ozotec Automobile Pvt Ltd Coimbatore
Networking Lunch Break - 1:05 pm –2:00 pm IST - 60 min	
02:00 pm –2:15 pm IST Track 4 - Technical Session GCCs - Energy R&D Hubs Duration - 15 min	Confirmation Awaited
2:15 pm –2:45 pm IST Track 5 - Business Session Financing & Investment Opportunities - Duration - 30 minutes	
Speaker Sessions 02 15 PM - 02 30 PM IST 02 30 PM - 02 45 PM IST	Government Incentive Schemes PLI Opportunities IREDA - Confirmation Awaited Green Financing K.S. Chandra Sekar Deputy General Manager (DGM) Small Industries Development Bank of India (SIDBI), Chennai

02:45 pm –03:15 pm IST Track 6 - Technical Session	
Fireside Chat 1 Energy & Mobility - Industrial Energy Storage Solutions , Supply Chain & Climate Change	Host : Dr. Binu Siva Singh S K Registrar Jeppiaar University Guests: Battery Storage Technologies S P Sathyanarayana Founder & Proprietor BlueTech Logistics - Supply Chain to Energy Sector Venkatapathy Head - Operations CFS & ICD Sattva Group Climate Change & Energy Kankana Das Head, State Climate Action (West Bengal & Odisha) ASAR (Association for Socially Applicable Research) , Kolkata
3:15 pm –4:15 pm IST Track 7 - Technical Session Technical Standards, Certifications & Regulations for Domestic & International Trade - Duration - 60 minutes	
03 15 PM - 03 30 PM IST 15 minutes	Regulatory Mandates : QCOs from MNRE (Ministry of New and Renewable Energy) for Energy Sector & National / International Standards for Energy Sector Hitesh Yadav Scientist - C / Deputy Director Bureau of Indian Standards CNBO, Chennai
03 30 PM - 03 45 PM IST 15 minutes	Cyber Security as Energy Security for Power / Energy Plants, Energy Storage Solutions Lokendra Singh Rathore Scientist C IT Services ETDC, Chennai, STQC Directorate, MeitY, Govt of India
03 45 PM - 04 00 PM IST 15 minutes	Renewable Energy Technologies - Testing Programs Geowin A Scientist C, Department: Testing Electronics Test and Development Centre, Chennai (STQC Directorate, MeitY, Govt of India)
04 00 PM - 04 15 PM IST 15 minutes	Carbon Markets, Low-Carbon Industrial Solutions , Export Promotion - Boosting India’s participation in high-integrity international Carbon Markets Rohit Kumar Secretary General - Carbon Markets Association of India (CMAI) & Secretary General - SAF Association

4:15 pm – 4:30 pm IST Track 8 - Technical Session Policy Focus	
Roadmap for Energy-Secure Industrial Clusters - Policy Focus Duration- 15 min	Amrita Goldar, Ph.D. Professor and Thematic Lead – Climate Change, Urbanisation and Sustainability (CCUS) Indian Council for Research on International Economic Relations (ICRIER), New Delhi
04:30 pm – 05:00 pm IST Track 9 - Business Session Export Promotion Initiatives - Duration - 30 minutes	
Fireside Chat 2 04:30 pm – 04:45 pm IST Export Promotion Mission - Export Incentives to MSMEs Duration - 15 min	Host RR Padmanabhan Chairman - Foreign Trade Sub Committee Andhra Chamber of Commerce Guest Palani Phani Kiran Dy. Director General of Foreign Trade (DGFT), Zonal Office, Chennai Indian Trade Service
Future Skills Focus	
Fire side Chat 3 04 45 pm – 05 05 pm IST Future-Proofing MSMEs: How to Build Resilience & Where to Start Duration - 20 min	Hosts Cassius Calvin Castellino Ecosystem and Partnerships Lead Mindworks Lab India Varsha Sriram Narratives ConsultantJournalism, Policy Consulting and Social Impact Communications Momentum Shifts, Bangalore Guest Chandra Kumar U Sustainability, Impact Investment, ESG Executive & BEE Accredited Energy Auditor
05 05 pm – 05 15 pm IST Open House – Interactive Session with Audience	
05 15 pm IST Closing Remarks Vote of Thanks	
Business Networking & Hi Tea	

September 18, 2026, Friday
09 30 am - 05 30 pm

Delegate Registration

Delegate Registration

Registration Fee

₹1,000 per Delegate (Inclusive of GST)

Group Registration

10% Discount

Applicable for 3 or more delegates from the same organisation.

Step : 1 Scan the QR Code to make the Payment

Scan & Pay

Step 2 : Fill the delegate registration form by using the Link below:

<https://forms.gle/ii8SvBPn9Fym7Ehc6>

Registration Includes

- Access to all Technical Sessions
- Inaugural & Keynote Sessions
- Conference Kit
- Networking Lunch
- Tea & Refreshments
- Access to Exhibition Area (if applicable)
- Certificate of Participation
- Networking Opportunities with Speakers & Industry Leaders

Summit Delegate Registration Co-ordinate

C.Karpaga lakshmi
